## About deciding the train name, exterior and facility nicknames for the new long-distance train

In the “JR-West Group Medium-Term Management Plan 2022”, we aim to contribute to the revitalization of areas in West Japan by focusing on tourism through dialogue and cooperation with the community as a railway business strategy.

As part of this, we would like to inform you of the train name, exterior and facility nicknames decided on for our new long-distance train in preparation for the start of service in spring, 2020.
